# DAMAGED WAGONS ?

## KEEP CALM

- ✓ Support in the event of incidents during transport or processing after unloading
  - ✓ Coordination between RU and wagon keeper, according to GCU
  - ✓ RID-monitoring if necessary
  - ✓ If possible, repair by a mobile team
  - ✓ Shipping to the repair shop (or to cleaning station first)
    - ✓ Then back to the loading point
  - ✓ Regular exchange of information
- ✓ Your benefit :
  - ✓ Reduction of administration effort
    - ✓ Invoice controlling (transport, cleaning)
  - ✓ Reduction of downtime

# FLEETMANAGEMENT

WE OFFER EVEN MORE

- ✓ Procurement of rolling stock
  - ✓ Benchmark analysis
  - ✓ Choosing the right type of wagon
  - ✓ Rental
    - ✓ Custom clearance if mandatory
  - ✓ Electronic availability of all technical and commercial data
- ✓ Revision management
  - ✓ Early planning and, if necessary, adjustment of the dates
- ✓ KPI
  - ✓ Fleet analysis and optimization
